

XXIV International Baldin Seminar on High Energy Physics Problems
"Relativistic Nuclear Physics and Quantum Chromodynamics"

XXIV International Baldin Seminar
on High Energy Physics Problems
Relativistic Nuclear Physics & Quantum Chromodynamics
September 17 - 22, 2018, Dubna, Russia

Contribution ID: 154

Type: **not specified**

Estimation of pion emission source in symmetric and asymmetric collisions using the UrQMD model

Friday, 21 September 2018 14:50 (20 minutes)

Presenter: Ms KHYZHNIAK, Eugenia (National Research Nuclear University MEPhI)

Session Classification: Parallel: Relativistic heavy ion collisions
