

# New Trends in High-Energy Physics

## Wednesday, 5 October 2016

**<font color="#1E90FF">PARALLEL SESSION</font>: Section "NEUTRINO AND ASTROPARTICLE PHYSICS"**

**(09:00 - 10:30)**

**-Conveners: Vittorio Paolone**

time	[id] title	presenter
09:00	[13] ICARUS experiment - status and perspectives	KISIEL, Jan
09:30	[16] Direct search of keV sterile neutrino in tritium beta decay by "Troitsk nu-mass" experiment	Dr PANTUEV, Vladislav
10:00	[93] Neutrinoless Double-Beta Decay with Emission of Single Electron	Mr BABIC, Andrej
