

Helmholtz - DIAS International Summer School "Cosmology, Strings, New Physics"

Tuesday, 30 August 2016

Students' talks (15:30 - 17:30)

time	[id] title	presenter
15:30	[56] Ricci-flat spacetime admitting higher rank Killing tensors and the Eisenhart lift	FILYUKOV, Sergey
15:50	[59] One-loop effective action with composite fields in gauge theories	KOLESNIKOV, Oleg
16:10	[41] Cosmological models with non-minimal coupling and bounce solutions	Dr POZDEEVA, Ekaterina
16:30	[58] Mirror QCD and Cosmological Constant	PROKHOROV, Georgy
